cathending the law in regard to the collection learful of the sun during a long sojourn in dered that he should be twice flogged receiving bribery. This would place seven seats at their Patna at \$603 \frac{2}{3} to \$605, but this description ten strokes on each occasion.

Proceedings in Parliamera. THE REPORM RESOLUTIONS:

his state of things to proceed as rapidly as possi-

prisoner to his house and get the money for it. The 12.3.5. He accompanied prisoner to a house in E-lop Alley, West Point, where prisoner to a counties—an Education franchise, somewhat made the bundle of opium from him and ran out of the house while and ran away also. Some other men at the same time attacked the other shop coole and knocked him down they made their escape from the house again found only a woman on the premises.

The proceeding to the House, but if the Government continued of opinion that Resolutions were perforable to a Bill, he would waive his objection, wider than that proposed in 18.59; a 30l savings. The interest of the Resolutions ought to be altered so as to enhouly the Government plan. They made their escape from the house and called the police but on entering the house again found only a woman on the premises.

The proceeding to the House, but if the Covernment continued of opinion that Resolutions were perforable to a Bill, he would waive his objection, wider than that proposed in 18.59; a 30l savings.

The man who was in the house while (another than after him and ran out of the house after him and ran out of the head with an iron bar and ran away also their escape from the house and the other shop coole and knocked him down:

The will the would waive his objection, pressing upon them at the same time that, after him and the payment tion of the deposit; the possession of funded proposed in 18.59; a 30l savings.

The will the would waive his objection, pressing upon them at the same time that, after him and ran out of the house and proposed in 18.50; and the payment tion of funded proposed in 18.50; and the payment the man who was in the house and the deposit; the possession of funded proposed in 18.50; and the payment the man who was in the house and the deposit; the possession of funded proposed in 18.50; and the payment the man who was in the house and the deposit; the possession of funded proposed in 18.50; and the payment the man who was in the house and the would read the payment

taken from them and they had been beaten. Yesterday he saw prisoner in Lasoar Row and of the four new tranchises should have one vote several on which it was desirable that the Gogave him in charge; when arrested prisoner in addition to his occupation vote. The Govern- vernment abould have the opinion of the House.

Leong-acheong, stated that he was master of ing down towards his boat. When she came to see what the Resolutions had to do with Mr. business has been done in the two latter at quewithin about thirty yards she fired into them Disraeli's speech, or what use they could serve t and one of the women was wounded. The junk after that speech. They were not precise and then ran alongside and witness and some others definite, like the Indian Resolutions. Referring to the crew hid themselves in the hold while the rest took to the sampan and pilled away. In the frequent changes in the opinion of the as short time about fourteen men boarded with Cabinet during the last fortnight, he asserted, lights and searched the boat. They took \$23 in smid general laughter, that however wide the silver, and clothes and consuments to the value changes may have been, the Resolutions would of about \$27. The pirates remained in posses: embrace them all they were not a framework sion of his boat and filled on her, Witness was but an elastic band which would hold anything: certain that prisoners are four of the men who The primary object of this mode of procedure boarded him. He was in the hold for four or possibly was to bind over the House to keep the five days until released by a gim boat, but he was allowed to come on deck to take his meals against overthrow by anticipating all the abor at any other time he liked; on these occasions struct propositions which could be framed on he always saw the four prisoners on deck (this the subject—or, as he happily described it, to witness was dreadfully stupid and kept contin-set the mark of Cain upon them, that no one mally contradicting himself so that it was was might kill them; but the security was a very almost impossible to make out what he actually poor one, for 13 Resolutions would not exhaust did mean to say.)

Leong-apo brother to previous witness, was them. It was not the business of the House, he armoury wants them. It was not the business of the House, he armoury wants the mean of the armoury wants the business of the House, he armoury wants the business of the heart some shots fired and saw a junk failure, to tempt a Government to rush upon a state of the heart some shots fired and saw a junk failure, to tempt a Government to rush upon a state of the heart some shots fired and saw a junk failure, to tempt a Government to rush upon a state of the heart some shots fired and saw a junk failure, to tempt a Government to rush upon a state of the heart some shots fired and saw a junk failure, to tempt a Government to rush upon a state of the heart some shots fired and saw a junk failure, to tempt a great state of the heart some shots fired and saw a junk failure, to tempt a great state of the heart some shots fired and saw a junk failure, to tempt a great state of the heart some shots fired and saw a junk failure, to tempt a great state of the heart some shots fired and saw a junk failure, to tempt a great state of the heart some shots failure and the heart some shot near his brother's boat. At this he became frightened and ran in shore where he met with a gun-boat and made a report of what had occurred. He was taken on board the gun-boat Before N. R. Masson, Esq. and they bruised about until the 6th inst, when the Government was responsible for. He bestwhisen, Royal Artillery, were fined \$3, for They gave chase and caught her and witness neglect of duty in sleeping at their post, and two with some officers and men from the gam-boat mittee, where every member would be at liberty to propose what amendments he pleased, and he Lowe touched next on his own personal position on this question, professing himself desirous— as he had not succeeded in bringing anybody
